---

## SKILLS

- **Programming languages** : Java, C, C++, JavaScript, Python
- **Frontend** : HTML, CSS, TailwindCSS, Bootstrap, React.js, Next.js
- **Backend** : Node.js, Express.js, Next.js
- **Databases** : MongoDB
- **Developer Tools** : VS Code, Git, GitHub

---

## EDUCATION

- **Computer Science Engineering** | Guru Nanak Dev Engineering College **7.8** | (2022-2026)
- **XII** | Teja Singh Sutantar Memorial Senior Secondary School **96.2%** | (2021-2022)
- **X** | DGSB Public School **80%** | (2019-2020)

---

## PROJECTS

### Saloon Website

- Designed and developed an interactive salon website for booking appointments and submitting inquiries.
- Integrated a streamlined appointment booking system that allows users to select services, times, and staff preferences.
- Enabled real-time feedback through form validations.
- **Technologies used** - React.js, TailwindCSS, Express.js, and MongoDB.

### Password Management System

- Created a secure password management system that allows users to store and manage their credentials, enhancing data organization and accessibility.
- Stores usernames, passwords, and site names securely in MongoDB, encrypted data storage.
- Enables quick search of saved passwords by site name or username for easy access.
- **Technologies used** - React.js, TailwindCSS, Express.js, and MongoDB.

---

## WORK EXPERIENCE

### Internal College Hackathon

GNDEC, Ludhiana

- Built a responsive platform which connect mentors with students.
- Designed and implemented core features, including user registration, and secure login authentication, enhancing user experience.
- Added a student feedback feature for mentor sessions.
- Leveraged **React.js**, **Tailwind CSS**, **MongoDB**, Flask and **Express** to build this platform.

---

## ACHIEVEMENTS / CERTIFICATE

- **Achievements** - 1. **250+ questions** on Leetcode and GeekForgeeks.  
2. **1st position** in Web-Wizards(inter-college website making competition)  
3. **2nd position** at PTU Integer-college Power Lifting Tournament
- **Certificates** - 1. **Java Programming Certificate** - Proficient in core Java and OOP concepts.  
2. **Web Development Certificate** - Expertise in HTML, CSS, JavaScript and React.
